ABOUT COURAGEOUS

The movie, 'Courageous' follows the story of two law enforcement officers, Adam Mitchell and Nathan Hayes, who willingly stand up to the worst the world can offer on the job, but at home face a challenge that neither of the men are truly prepared to tackle: fatherhood. While living up to the highest professional standards at work, they quickly discover that they are missing the mark at home. When tragedy suddenly hits their households, each is left wrestling with their hopes, fears, faith, and fathering. Can a newfound urgency help these dads draw closer to God...and to their children? 'Courageous' is the fourth release from Sherwood Pictures, the moviemaking ministry of Sherwood Church in Albany, Georgia. The film is also Sherwood Picture's first production since releasing 'Fireproof', the number one independent film of 2008. Sherwood Pictures' previous films, 'Facing the Giants' (2006) and 'Fireproof' (2008) have gone on to become two of the most successful independently-made theatrical releases in the last decade, bringing in a combined \$43m.
